## PROFESSIONAL SUMMARY

Dedicated and focused professional who excels at prioritizing, completing multiple tasks simultaneously and following through to achieve project goals. Experienced in front-end and back-end web development. Seeking a change in career to get a job as a full stack web developers.

## EXPERIENCE

### **FREELANCER, WEB DEVELOPMENT AND DEPLOYMENT, GENUINEDEALS 4 U LLP, CHANDIGARH, PUNJAB, INDIA (WORKED REMOTELY FROM DUBAI)**

**MARCH 2013 - SEPTEMBER 2013**

- Built an online real estate portal, which worked in multiple languages (Punjabi, Hindi, English) over various platforms. Added user management where a user could update/edit/delete their own property listings. This back-end functionality of the project was created using PHP and MySQL which handled all the user requests for updating their postings, and HTML5, CSS, Javascript and jQuery for the frontend functionality of the website.
- While creating this project I took initiative to learn PHP in order to adequately give clients the best experience while using this portal.

### **FREELANCER, WEB DEVELOPMENT PRINAENERGY.COM (CHANDIGARH, PUNJAB, INDIA) (WORKED REMOTELY FROM DUBAI)**

**SEPTEMBER 2013 - OCTOBER 2013**

- Built a static website from scratch as per the client requirements. Used jQuery to create the menu and the slideshow on the main page, and a dynamic contacts page, which displayed map markings when focused on the address for the Clients Company Locations.
- This project was created using HTML, CSS, Javascript and jQuery.

### **TRANSPORTATION SUPERVISOR, AUJLA STAR HEAVY AND LIGHT TRUCKS TRANSPORT LLC, DUBAI, UAE**

**JANUARY 2012 - APRIL 2015**

- Responsible for daily load planning for drivers. Managed the company payroll and shipment management systems. Handled all bulk shipments carried from the Jebel Ali Port to the Customers. Worked with a team of 30 drivers and 60+ owner operators to deliver the best to the customers.
- Working at this position taught me leadership skills in order to manage my team to complete large tasks in a timely manner.

### **OPERATIONS MANAGER, AUJLA STAR TRANSPORT LLC, INDIANAPOLIS, IN**

**MAY 2015 - PRESENT**

- Responsible for establishing sister company Aujla Star Transport originally based in Dubai, U.A.E. Maintained daily driver records and updated them in the system. Completed carrier packets to setup with various brokers and planned daily routes for the drivers. Made sure the shipments are delivered as per the requirements of the broker. Handled all the billing and employee payroll. Handled driver / broker phone calls and resolved any issues that arose while on and off duty strengthening my customer service and communication skills.
